PLEASE TAKE NOTICE THAT:

An adjudicatory proceeding will be held pursuant to the provisions of N.Y. Pub. Health Law §230(10)(p) and N.Y. State Admin. Proc. Act §§301-307 and 401. The proceeding will be conducted before a committee on professional conduct of the State Board for Professional Medical Conduct (Committee) on November 14, 2018, at 10:30 a.m., at the offices of the New York State Department of Health, Riverview Center, 150 Broadway, Suite 510, Menands (Albany), NY 12204-2719,¹ and at such other adjourned dates, times and places as the committee may direct.

At the proceeding, evidence will be received concerning the allegations set forth in the Statement of Charges, which is attached. A stenographic record of the proceeding will be made and the witnesses at the proceeding will be sworn and examined.

You may appear in person at the proceeding and may be represented by counsel who shall be an attorney admitted to practice in New York state. You may produce evidence or sworn testimony on your behalf. Such evidence or sworn testimony shall be strictly limited to evidence and testimony relating to the nature and severity of the penalty to be imposed upon the licensee. Where the charges are based on the conviction of state law crimes in other jurisdictions, evidence may be offered which would show that the conviction would not be a crime in New York State. The Committee also may limit the number of witnesses whose testimony will be received, as well as the length of time any witness will be permitted to testify.

¹ For GPS purposes, enter "Menands", not "Albany".

If you intend to present sworn testimony, the number of witnesses and an estimate of the time necessary for their direct examination must be submitted to the New York State Department of Health, Division of Legal Affairs, Bureau of Adjudication, Riverview Center, 150 Broadway - Suite 510, Albany, NY 12204-2719, ATTENTION: HON. JAMES HORAN, DIRECTOR, BUREAU OF ADJUDICATION (Telephone: (518-402-0748), (henceforth "Bureau of Adjudication") as well as the Department of Health attorney indicated below, no later than twenty days prior to the scheduled date of the Referral Proceeding, as indicated above.

Pursuant to the provisions of N.Y. Pub. Health Law §230(10)(p), you shall file a written answer to each of the charges and allegations in the Statement of Charges at least ten days prior to the date of the hearing. Any charge or allegation not so answered shall be deemed admitted. You may wish to seek the advice of counsel prior to filing such answer. You may also file a written brief and affidavits with the Committee. All such documents shall be filed with the Bureau of Adjudication, at the address indicated above, and a copy shall be forwarded to the attorney for the Department of Health whose name appears below, at least ten days prior to the date of the hearing. Should the parties have objection(s) to proposed witnesses or documentary evidence, the party raising the objection(s) shall contact the Bureau of Adjudication at least three days prior to the hearing date to arrange for a pre-hearing conference with the Administrative Law Judge, prior to the hearing date.

Not later than ten days prior to the date of the hearing, you are required to file one copy of your proposed exhibits (if any) with the Bureau of Adjudication at the address indicated above, and a copy of all such documents/exhibits must be served on the same date on the Department of Health attorney indicated below. On the day of the hearing, you are also required to provide the original of such exhibits and three copies, for use by the Committee.

Pursuant to §301(5) of the State Administrative Procedure Act, the Department, upon reasonable notice, will provide at no charge a qualified interpreter of the deaf to interpret the proceedings to, and the testimony of, any deaf person. Pursuant to the terms of N.Y. State Admin. Proc. Act §401 and 10 N.Y.C.R.R. §51.8(b), the Petitioner hereby demands disclosure of the evidence that the Respondent intends to introduce at the hearing, including the names of witnesses, a list of and copies of documentary evidence and a description of physical or other evidence which cannot be photocopied.

YOU ARE HEREBY ADVISED THAT THE ATTACHED CHARGES WILL BE MADE PUBLIC FIVE BUSINESS DAYS AFTER THEY ARE SERVED.

NEW YORK STATE DEPARTMENT OF HEALTH
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER
OF
SANJEEV SAXENA, M.D.

STATEMENT
OF
CHARGES

SANJEEV SAXENA, M.D., the Respondent, was authorized to practice medicine in New York State on or about October 6, 2010 by the issuance of license number 258941 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about November 17, 2017, the Alabama State Board of Medical Examiners (hereinafter "Alabama Board") and Respondent entered into a Joint Stipulation and Consent Order in which Respondent's license to practice medicine was placed on indefinite probation, and stated Respondent can apply to lift the probationary status after one year. In addition, Respondent was directed to take and successfully complete a course in medical documentation and Respondent was ordered to pay administrative costs of \$24,000. This discipline was directed pursuant to Respondent's admission that he failed to maintain a patient medical record which met the minimum standards under Alabama codes and rules.

B. The Conduct resulting in the Alabama Board's disciplinary action against Respondent would constitute misconduct under the laws of New York State pursuant to the following Sections of New York State Law:

1. New York Education Law § 6530(32) (Failing to maintain a record for each patient which accurately reflects the evaluation and treatment of the patient).

SPECIFICATION OF CHARGES
HAVING HAD DISCIPLINARY ACTION TAKEN

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having his license to practice medicine revoked, suspended or having other disciplinary action taken, or having his application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his or her license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York State, constitute professional misconduct under the laws of New York state (namely N.Y. Educ. Law § 6530(32)) as alleged in the facts of the following:

1. The facts in Paragraphs A and B and B1.
